Recipe from www.idiotskitchen.com

Ingredients:

Tomatoes
Fresh Mozzarella Cheese (preferably packaged in water)
Fresh Basil Leaves
Olive Oil
Vinegar – Balsamic or Red Wine Vinegar
Salt & Pepper

Slice the tomatoes into thick rounds and place on a large platter. Season generously with salt and pepper. Place a slice of Fresh Mozzarella and a Basil Leaf on top of each tomato.

Slowly drizzle Olive Oil over the salad to coat the tomatoes but not drown them. Dribble Vinegar on slowly using about half as much vinegar as oil.

Allow the salad to rest at room temperature for the flavors to mingle.
