

Handy-Dandy Shopping List – Ribeye Steaks with Cabernet Mushrooms

Recipe from www.idiotskitchen.com

2 Ribeye Steaks

1 (8 oz) container of Fresh Mushrooms

1 Shallot

3-4 Sprigs Fresh Thyme

3 Tablespoons Butter

1 Cup Red Wine – Cabernet, Syrah, Merlot or other full bodied, dry red wine

1 Tablespoon Tomato Paste – *I love tomato paste in a tube (like toothpaste). In my store, it is found either near the canned tomatoes or near the pasta and specialty Italian food items. It's much more convenient and less wasteful when you only need to use a small amount of paste.
