

Idiot's Kitchen Shopping List – Chipotle Lime Skirt Steak

Recipe from www.idiotskitchen.com

1 ½ pounds Skirt Steak or Flank Steak

1-2 chipotle peppers in adobo sauce

2-3 cloves of garlic, finely chopped

2 Tablespoons fresh lime juice

¼ cup olive oil

Note: unused chipotles can be frozen in a zipper bag for future use. If you like to use the peppers seeded, remove the seeds before freezing.

The recipe for the marinade is more about ratios than about exact measurements. This recipe may be adjusted up or down for any quantity of meat.
