

Idiot's Kitchen Shopping List – Strawberry Rhubarb Salad

Recipe from www.idiotskitchen.com - Adapted from Bon Appétit Magazine

2-3 slender rhubarb stalks
1 pound (about 1 pint) strawberries
½ lemon
4-5 stems of fresh mint leaves (2-3 Tablespoons chopped)

1 Tablespoon sugar

1 Tablespoon orange juice

¼ cup roasted hazelnuts, chopped

Note: This salad is best eaten the day it is prepared. The recipe is listed for 2 very generous servings but is very easy to expand or contract. This is not the best salad for leftovers.
